**A Message From Fr. Henry:** I want to thank everyone for their expressions of support and kindness during my present indisposition. The expressions of support have been heart warming and helpful. Thank God I am managing very well inspite of plaster of paris on both wrists and have the support of carers and district nurses as well as the help of our housekeeper Margaret and her husband Eddie, Mary, our parish secretary and my fellow priests Fr. John and Fr. Liam. I'm confident it won't be too long before I am back to normal. I have offered Mass for all of your intentions. Thank You for your prayers and good wishes.

**Parish Draw:** The Parish draw has been deferred until after the current emergency is over.
